

ON CLOUD NINE

On the eve of the Exhibition holiday, the St Andrew's War Memorial Hospital Crystal Ball at Fortitude Valley hotspot Cloudland proved to be one of Brisbane's most glamorous events of the year. Soul songstress Marcia Hines and rocker James Reyne belted out a few tracks, while comedian John Blackman led proceedings. Guests paid \$900 for the best tickets, which bought a five-course degustation dinner created by Cloudland executive chef Michael Muir, as well as fine French wines. More than \$100,000 worth of jewellery was dished out in door prizes, and a \$95,000 Audi TT went to one happy reveller. Proceeds from the ball will assist St Andrew's with new operating theatres as part of a \$75 million redevelopment.
